COVID-19 Vaccination / Prior Infection Attestation

<p>Does this apply to me?</p>	<ul style="list-style-type: none"> • Yes. All COPA and contractor employees are required to attest to their vaccination / prior infection status through their respective company. • Stickers will be provided to individuals who have attested to being fully vaccinated or having had a prior infection to visually indicate their status. • Those that have not been vaccinated or have not had a prior infection will not receive a green sticker.
<p>What is the purpose of the sticker?</p> 	<ul style="list-style-type: none"> • Stickers are meant to provide a visual indication to verify employees are adhering to COVID-19 mitigation measures including social distancing and face covering practices that are specific to their status. • Stickers must be placed on your company identification badge. • Personnel should have their badges readily available. <div style="border: 1px solid gray; padding: 5px; margin-top: 10px;">  <p>NOTE: Individuals that have attested to being vaccinated or having had a prior infection but do not wish to display their status on their badge are expected to comply with unvaccinated masking and social distancing requirements.</p> </div>
<p>How do I obtain a sticker?</p>	<p>ConocoPhillips Employees</p> <ul style="list-style-type: none"> • Following your attestation, you should receive an email confirmation that you have completed the attestation process. • If you attested to being fully vaccinated or having had a prior infection, present your confirmation email to Kuparuk Security to obtain a sticker. Contact HRC if you've lost your email. <p>Contractor Employees</p> <ul style="list-style-type: none"> • Your employer will provide directions for receiving your sticker.
